**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I was incredibly unhappy with my two major choices in my internet provider search. I had had both of the major providers in the past and was extremely unhappy and had spent hours on the phone trying to fix billing mistakes. When I moved, I found a small local company and my internet is much more reasonably priced and the customer service is much better. I would hate for small local providers to be pushed out of business from the big companies due to unfair business practices.

Thank you
